The San Diego Water Board intends to issue a no further action letter for cleanup of an unauthorized release of petroleum fuel wastes from a leaking underground storage tank system at 800 Palomar Street, Chula Vista, California (site). This public notice fulfills the San Diego Water Board's obligation to inform the public of completed corrective action as required by California Code of Regulations (CCR), Title 23, Division 3, Chapter 16, Article 11, section 2728.

The 60-day public notification period ends on January 16, 2020. Any comments provided during the public notification period regarding this site will be considered by the San Diego Water Board. The case files are available for public review by submitting a file review request to the San Diego Water Board office, or on-line from the [GeoTracker database](#). Provided no significant issues arise during the public notification period, the San Diego Water Board will issue a no further action letter after the completion of site monitoring well destruction and waste removal from the site by the responsible party, Tesoro Refining & Marketing Company LLC.
